

WASHINGTON – Congressman Spencer Bachus (AL-6) issued the following statement on tonight’s State of the Union Address by President Obama.

□

□□□□□□□□□□ **“We do need policies that will create jobs and help families struggling to make ends meet in these times of economic uncertainty.□ However, more government spending and borrowing isn’t the answer.□ Taxpayers can’t afford it and government has never solved a problem by throwing more money at it.”**
